

AWARDS and HONORS 2014

(Updated 11/26/14)

Distinguished Budget Presentation Award for the District's 2014 Annual Budget given by the Government Finance Officers Association of the United States and Canada (GFOA) for a comprehensive annual fiscal year financial report (recognized fifth consecutive year). This award is the highest form of recognition in government budgeting and represents a significant achievement by our organization. New this year is the special recognition as an outstanding communication device for its presentation on Capital Expenditures

District Manager of the Year Award given to JoAnn N. Gould, CPRE, South Suburban's Director of Recreation Services and Facilities, by the Special District Association of Colorado at their Annual Conference in September 2014. The award is given to a special district manager who has increased the quality of service, reduced costs, shown efficiency as a manager, made extraordinary contributions to their special district, shown leadership in building programs and personnel relations. In addition, the person participates in civic and community activities.

National Interpretive Manager of the Year Award given to Skot Latona from the National Association of Interpretation.
