The District policy regarding requests for public records under the Colorado Open Records Act is available at ssprd.org/public-records-request. All open records requests must be submitted on this form to the District Records Custodian at the address or email above. Records requests may take up to THREE business days to process, or more if warranted.

Services and Fees – See Below – SIGNATURE REQUIRED.

I have read the district policy regarding open records requests. I understand that I may have to pay fees up front, and that the cost estimate, if provided, is only an estimate and can vary depending on the nature of the documents found. The entire balance must be paid in full prior to the release or viewing of the documents, and any excess fees paid will be refunded. If it is determined that the estimate will be exceeded, the District Records Custodian will attempt to contact me to determine if they should proceed. Please make checks payable to "SSPRD."
