

Memorials and Donations

The South Suburban Parks and Recreation District Memorial and Donations program offers several opportunities for honoring a special person or occasion within the District's parks, trails and golf courses. Additionally, the program includes items that patrons may donate funding to for the betterment of the community.

Memorial type are dependent upon desired location. At the donor's request, South Suburban staff can offer several fitting sites to choose from.

Memorials have been selected for uniformity within the District and their specific location. As such, prices vary by location. South Suburban will install and maintain the memorials, including to replace damage and worn memorials at no additional cost to the donor.

A completed application along with full payment are due to process the order. Installation and plantings occur April 1-November 1. Donors should anticipate 3 months* from the time of order to installation, not including trees, whose plantings only occur in spring and fall for optimal success.

****Please Note: We are currently experiencing bench manufacturing and delivery delays of up to six months.***

TREES

South Suburban staff will provide a number of tree species to choose from based on donor's desired planting location. Upon request, donor and guests may be present for the planting ceremony. Additionally, with each tree contribution, a brass leaf is inscribed and added to our wall-mounted commemorative tree sculpture in the Goodson Recreation Center, 6315 S. University Blvd., Centennial, 80121.

Inscriptions specifics: Up to 100 characters including spaces.

STANDARD PARK AND TRAIL BENCHES

Benches adorn our parks, playgrounds and trails throughout the District. Non-memorialized benches are available for purchase. South Suburban will remove the existing bench and install a new memorial-specific bench that includes an engraved plaque on its backrest.

Inscription specifics: Up to 7 lines of text with 28 characters per line including spaces.

Benches are black powder-coated steel mounted onto a concrete pad. New location requests are subject to approvals, including but not limited to consideration of existing memorials, programs, mowing access, tree root and irrigation line proximity.

***Note:** We are no longer accepting requests for benches for the High Line Canal trail, Cherry Knolls Pond and Writers Vista Park.
