How long is each party?

- Parties are two hours long. The first hour is spent with a professional instructor on the activity of your choice. *See party descriptions on page 2 for each party style.*
- The second hour is your party in the same room. You can bring cake, decorations, open gifts, and play games of your own. No alcohol is allowed.

- Adults can book art parties too!
- We also book Boy/Girl Scout badge lessons (weekday afternoons may be available).

- No, we only provide materials for the art or enrichment lesson, tables and chairs.
- Feel free to bring your own decorations. There are typically four 6-foot rectangular tables provided if you wish to bring table cloths.

- No, we only provide an instructor during the art or enrichment lesson.
- Feel free to bring anything of your own to entertain the group during your one hour room rental. Cake, food and games are common items that families bring. No alcohol is allowed.

Party Types & More Information

Party Descriptions

Clay: Our instructor will guide your child and guests through the process of creating an animal of your choice, silly monster, or coil or pinch flower pot. The children will glaze the piece and we will fire it (you'll pick up one box with all items, ready in 7-10 days following the party).

Available at: Goodson, Lone Tree and Buck Recreation Centers

Painting: The birthday child selects a subject and our instructor walks the group through the painting project. Popular themes: cupcakes, landscapes, abstract art with special colors.

Available at: Goodson, Lone Tree, Buck and Sheridan Rec Centers and the Lone Tree Hub

Dance: Our Academy of Dance instructors guide the children through some basic steps to create a special birthday dance. A theme chosen by the parent is encouraged (i.e. princess, hip hop, movie or character themed, etc.). You are welcome to bring props or have the children "dress up."

Theatre: Join Jessica, a professional theatre instructor of over 15 years, for a fun and unique birthday party. Guests/children can either create their own puppets and then stage a puppet show (all ages) or create elaborate masks and stage a comedy show (ages 10+).

Cupcake Decorating: Decorate cupcakes for your party! All supplies for creating the cupcakes are included. You may provide themed cupcake toppers that you purchase on your own.

Creativity Lab: Parties at the Sheridan Recreation Center's Creativity Lab are highly creative, challenging young artists to make art from new and repurposed items. The birthday child can choose a theme and the instructor will lead the group in painting on canvas or creating a 3-D project related to that theme.
