Sheridan Creativity Lab

About the Creativity Lab

Do you like to explore new ideas, discover new materials and bring your imagination to life? Then, The Creativity Lab is the place for you! Our lab instructors offer guidance for creating your own masterpieces from a variety of art materials and found objects.

Our mission is to show how found objects can be transformed into beautiful works of art. Our space was recently renovated and now we are looking for supplies to fill it!

We offer all types of arts and crafts:

- 3D and sculptural projects
- Painting
- Paper-crafts
- Fabric and fiber crafts
- Jewelry making
- Sewing
- Needle and yarn crafts
