## South Suburban Sports Complex

### About Us

South Suburban opened a new regional recreation complex in 2021. The community-driven project includes three sheets of ice, each with five locker rooms and spectator seating.

In addition to ice facilities, the complex houses two turf fields, two basketball courts, dry land training, concessions, restaurant and bar, and meeting rooms.

The facility hosts programs for youth and adults, including basketball, volleyball, Pickleball, soccer, lacrosse, figure skating, hockey and public skating sessions. The venues will also serve as the home for regional and national figure skating, speed skating and hockey competitions.

A variety of options are available to give you the most exposure for your partnership. Whether it's on the dasherboards, zamboni or on the ice, we can tailor a package specifically to meet your needs.

Contact Bill Dobbs at 303.754.0550/BillD@ssprd.org (ice) or Nicole Stehlik (fields) at 303.483.7063/NStehlik@ssprd.org for more information.
